

Residential Plot in the outskirts of Liopetri towards Sotira Village

€86,500 +VAT

📍 Liopetri, Famagusta

Located on the outskirts of Liopetri Towards Sotira Village for sale 86.500 euro

It is a 2013 sq. meters of land just recently been added in the residential area.

Planning Zone: Ka6. Density: 90%, Coverage: 50%, Maximum 2 floors and Height: 10 meters.

Because of its location, the land can be offered to build just one massive villa, since is located on the outskirts of the village, or use the maximum and build a development that can be either detached villas or even apartment units.
